Special Capitol Hill Showing: “Invalidated: The Shredding of the U.S. Patent System”

“Invalidated” shows how America’s patents have been weakened, as seen through the eyes of inventors of cutting-edge medical and energy equipment, toys and more. The documentary, produced by Tea Party Patriots Action, features inventors and experts like former Attorney General Ed Meese, inventor and Congressman Thomas Massie, and George Mason Law Professor Adam Mossoff.

Followed by Q&A with Jenny Beth Martin, Tea Party Patriots, Jim Edwards, Conservatives for Property Rights, and Paul Morinville, Inventor
